[Vintage Motor Bike Club](#) Swap Meet

CANCELED

Place: [Jay County Fairgrounds](#) Portland, Indiana

This should normally be a column talking about the club rides and all the fun things planned for this summer but unfortunately life has had a different plan for us this year. We have been faced with a pandemic, a major Michigan flood and much social unrest. Many of us personally know someone who was affected by the Pandemic. Our club lost member Diane Brandt, Janie Weynouth's twin sister, Mike Hayes's sister and Dana Blowers grandfather all passed from Covid 19. Please keep all our members in your thoughts and prayers so we can work through these stressful times. Prior to the writing of this letter many of the planned events have been canceled, the latest being the Vintage Motorbike meet in Portland IN. The governor is starting to open up our state gradually and this is allowing restaurants and private campgrounds to operate again so some club events can go on as planned. The important thing is to stay safe and remember we are family and will be here no matter how long it takes. Most likely there will be some changes in how we gather and conduct our rides and meetings in the future but these will be looked into and addressed if necessary.

In Memory of Diane Brandt
